ST. ANNE NEWS AND EVENTS

This Week ...

Coming Soon

POWER STRUGGLE

Power struggles occur on every level of society, from the world stage to relationships at work, to our own homes. We struggle for position in the hierarchy of power: Who has power over whom? How do they wield it? What is the source of that power? What is the healthy response?

In this Sunday's Gospel reading the Pharisees engage Jesus in a power struggle over whether Jews should show tribute to Caesar by paying taxes. Jesus' response puts this and every struggle for power into perspective. In harmony with the words of Isaiah and Paul, Jesus teaches us that God is the ultimate source of all power—the power of earthly rulers, the Pharisees, Jesus, the Church, and the power within ourselves.

World Mission Sunday

Our beloved Holy Father, Pope Francis, has shown himself to be a great teacher with the heart of a missionary. Like Jesus, he teaches by word and example, keeping our poor, troubled and vulnerable brothers and sisters in the world today, close to his heart. Each year, the entire Catholic Church focuses on the Pope's missions where priests, religious and lay leaders serve the poorest of the poor.

Next week, our second collection will be for World Mission Sunday, for ongoing support of the Pope's mission. Thank you!

100 years ago in Fatima.....

On October 13, 1917, despite wind and rain, 70,000 arrived and started grumbling. But Our Lady appeared, and told the children to build a chapel there. She was Our Lady of the Rosary, and to continue praying the rosary daily. She said the war will end soon, and to offend Our Lord God no more. Then everybody, including unbelievers, reporters, even miles away, witnessed the miracle; they could gaze directly at the sun, which was spinning, and then went plunging down to earth, terrifying everybody. Then it returned to normal.....
